

REMARKS

Attached is a copy of the Notification dated November 2, 2006.

The specification has been revised to include the attached Sequence Listing and corresponding sequence identifiers. No new matter has been added. The attached paper and computer readable copies of the Sequence Listing are the same. No new matter has been added.

The separate WITHDRAWAL OF PREVIOUSLY SENT NOTICE dated November 2, 2006 is noted however as the Notice mailed June 28, 2006 did not appear to require a reply or contain a period for reply, nothing further is believed to be required. A new Notice of Acceptance is anticipated however as the Notice of Acceptance of June 28, 2006 has been "withdrawn". The Office is requested to acknowledge receipt of the references listed on the International Search Report, which were filed April 14, 2005, in the new Notice of Acceptance.

The Office is requested to contact the undersigned in the event anything further is required at this time.

Respectfully submitted,

NIXON & VANDERHYE P.C.
